

The Valley of Horses

Northern and Eastern Steppes

Ford - Here Ayla brought Jondalar across the river on the Travois, lifting one pole to her shoulder to keep his head above the water

Front Porch - This ledge extends across the cave mouth and along the wall top to its end, where it becomes uneven, but trafficable with care, allowing the user to see the river below

Southern and Western Steppes

Western Journey

Western Journey

Jondalar and Thonolan Route

Scale: Approximate distance from the Cave to the River Crossing is two miles, or three kilometres
